

MATCH REPORT

Behind the Scenes

Gorge Mammoths 0 — 3 Warp Coyotes

🏆 Warp Coyotes wins

⚡ AI OVERVIEW

Warp Coyotes dominated Gorge Mammoths 3-0, scoring three goals in the opening two minutes. Mammoths' press-heavy, chaotic command mix (273 PRESS_BALL vs 14 PASS) left them defensively exposed and unable to retain possession or create shooting opportunities.

GOALS

- ⚽ 2' Hoya (CH) (FWD) Warp Coyotes
FWD strike at 2' exploited Mammoths' aggressive but uncoordinated pressing, which generated zero on-target shots and invited counterattack space.
- ⚽ 2' Nura (NL2) (MID) Warp Coyotes
MID goal at 2' capitalized on Mammoths' imbalanced command distribution—PRESS_BALL dominated while SHOOT remained unused, leaving midfield vulnerable.
- ⚽ 2' Nura (NL2) (MID) Warp Coyotes
MID goal at 2' underlined Mammoths' structural collapse: 273 PRESS_BALL commands without tactical support (MARK, INTERCEPT, FOLLOW_PLAYER all zero) invited open-play breakdowns.

💡 COACH'S CORNER

Gorge Mammoths

Replace indiscriminate PRESS_BALL spam with disciplined MARK and INTERCEPT commands to stabilize your defensive shape before pressing triggers.

Warp Coyotes

Reduce reliance on MOVE_TO (244 commands); add SET_STANCE and MARK instructions to tighten defensive structure and prevent letdowns after early dominance.

AWARDS
